

PENDERYN

SINGLE MALT WELSH WHISKY

*A free spirit, unshackled by convention; embracing ART & SCIENCE to create the smoothest *wysgi** on earth. EXPLORE.*

THE INDEPENDENT SPIRIT.

At the dawn of the new millennium, a group of friends from the beautiful country of Wales set out with a simple vision. As the first Welsh distillers in more than a century, we were determined to break with convention in pursuit of our goal: to create the finest *wysgi* on earth.

OUR FARADAY STILL.

The whisky still at PENDERYN is unlike any other: a single copper pot still producing a flavourful spirit of extraordinary strength and purity. This still was invented exclusively for us by Dr David Faraday, descendent of the ground-breaking Victorian scientist, Michael Faraday.

At 92% alcohol by volume our new spirit has the highest strength of any malt *wysgi*; and with just one barrel produced every day, it is also exceptionally rare.

THE ART OF MATURATION.

The PENDERYN house style derives uniquely from the use of two types of cask. After an initial maturation in hand-selected bourbon barrels from a single source, the *wysgi* is further matured in special Madeira barriques.

FRESH AND VIBRANT.

Art and science come together at the moment when Gillian, our talented young distiller, decrees that a cask is ready to be bottled. Thanks to the quality of the wood, the delicate spirit rapidly develops a sophistication normally confined to much older whiskies, but to retain its freshness and vibrancy we take care not to over-mature. Reducing the strength drop by drop with our very own Brecon spring water, we bottle Penderyn *wysgi* without chill-filtration.

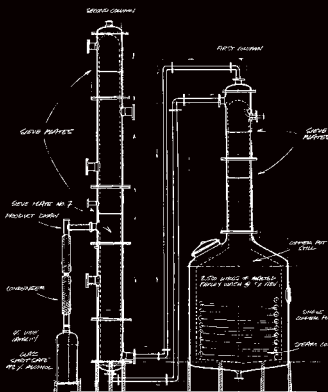

A SEAM OF WELSH GOLD.

PENDERYN whiskies have an exceptionally well-balanced taste, with a classic freshness. The palate is crisp and finely rounded, with the sweetness to balance an appetising dryness. It is indeed, the smoothest *wysgi* you'll ever taste.

EXPLORE.

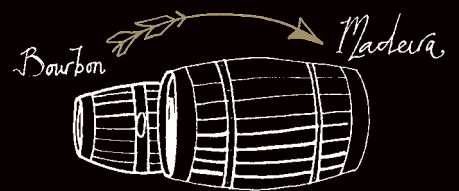

If you share our curiosity about the world, our quest for excellence and our pride in the unique spirit of Wales; and above all if you enjoy the company of good friends, we invite you to join us in a glass of PENDERYN *wysgi*.
